

Hello Campers & Families

A Week 3 wrap up of Camp Coolio!

Week 3 was exciting and packed with fun.

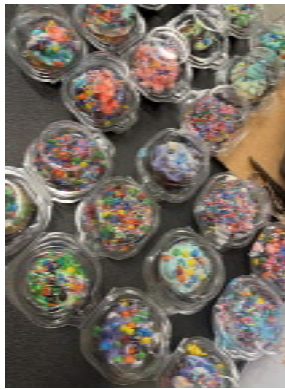

On Monday, Campers participated in another fun session of Karate with special visitors from Bedford Martial Arts. We also split into teams, and came up with our team names and team flags. In the afternoon, campers spent some time playing dodgeball, as well as each making an alien inspired mask to wear to our movie field trip if they wanted to.

Tuesday was our field trip to Chunky’s and Remix! We had a whole movie theatre to ourselves where campers sat with friends, enjoyed snacks and pizza, and watched the new movie Elio. Afterwards, we made our way over to Remix Roller Rink for more fun. Campers selected either roller skates or roller blades, and had a couple hours of time on the rink with counselors and friends. What an awesome day.

On Wednesday, campers really started to dive into their movie scene recreations. Each team randomly selected a one minute clip from different well known childhood movies. Throughout the week, teams had several opportunities to practice and create their very own rendition of that scene to perform on Friday. We also played some fun water games outside, made alien/ movie character clay figures, and even had a special visit from camp friend Kate who painted ghost trains with campers.

On Thursday, teams participated in a camp wide Mad Libs competition! Each team worked with their counselors to create a Mad Libs story, which were read aloud to the whole camp. Campers voted for their favorite (besides their own) to win gems for their team. Congrats to “Behind the Scenes”, Kaiden and Gavin’s team. We also played soccer outside and made movie character inspired perler bead crafts.

The movie fun continued on Friday as each team performed their final movie scene skit performance! Campers made props and got into character, and had fun while doing it! All teams earned points for their bravery and participation. Counselors also awarded each camper a personalized movie character inspired award that we felt represented some element of that camper’s personality. This was another fun way for us to engage with our movie theme this week! Finally, we closed out our week with a special visit from local baker Marley, who baked cupcakes for campers and helped them each decorate a cupcake to take home.
